

**QUALITY LOGISTICS DELIVERED**

# ABOUT SFL WORLDWIDE

SFL WORLDWIDE IS A FAMILY OWNED LOGISTICS COMPANY SPECIALIZING IN MOVING AND SHIPPING SERVICES WITHIN THE UNITED STATES AND AROUND THE WORLD SINCE 2005. FROM OUR GLOBAL REACH TO OUR LOCAL, COMMUNITY-BASED PRESENCE, WE GUARANTEE BEST-IN-CLASS SERVICES YOU DESERVE.

WE ARE YOUR TRUSTED LOGISTICS PARTNER FOR SHIPMENTS VIA AIR, OCEAN AND GROUND; FROM HOUSEHOLD RELOCATION TO COMMERCIAL IMPORT/EXPORT, WE PRIDE OURSELVES IN PROVIDING QUALITY SERVICE THROUGHOUT.

## Who is SFL Worldwide?

SFL Worldwide started small in 2005, a family owned business under the name of Ship For Less which primarily provided local shipping and courier services. Since then we have grown and added services to meet our customer needs over the years. Due to our growing customer base Ship For Less transformed into SFL Worldwide and now provides a full suite of global logistics.

Today SFL Worldwide is primarily a household goods relocation company providing services in domestic and worldwide relocations, auto transport, pet relocation and origin and destination services via our global network of agents.

As an International freight forwarding company, SFL Worldwide provides commercial cargo shipping, cargo consolidation, OTR /LTL /FTL transportation, and Air/Ocean/Ground freight shipping services.

As a global shipping provider, we assist in shipping a varied range from an envelope to large HHG cargo within the United States or worldwide. As a licensed International Air Carrier with the Transportation Security Administration (TSA) we have access to various airlines to offer our commercial customers with expedited services and economical rates.

# RELOCATION SERVICES

## 1 RESIDENTIAL MOVES

Whether moving involves the contents of a studio apartment or a 5-bedroom single family house, the process can quickly become overwhelming. For over a decade, SFL has been a dependable relocation service dedicated to ensuring a safe and reliable journey for all household items. Upon choosing SFL as your relocation partner, we will immediately assign a Relocation Coordinator who will alleviate the pressure associated with directing multiple elements of your relocation. Your Relocation Coordinator will plan, execute, and schedule all necessary logistics, paperwork, and approvals required for a successful move.

## 2 OFFICE MOVES

We apply the same level of care and dependability involved in our residential services to office relocations. SFL Worldwide provides streamlined and seamless moving services that allow for minimal downtime for your company. Our suite of office moving services includes:

- Office furniture moves
- Industrial machinery moving
- Inventory liquidation and asset inventory
- Warehousing and distribution
- Workstation and systems furniture move
- Medical office moving
- IT and computer systems transport
- Records storage

## 3 CORPORATE RELOCATIONS

With our corporate relocation services, our primary goal is to help our corporate customers provide a positive relocation experience for their employees. We leverage our years of experience to provide seamless, cost-effective relocations so that both employers and employees are able to remain focused on their responsibilities. At SFL, we recognize that employees facing relocation have families and responsibilities and companies have budgets. Your employee and his/her family will be able to focus on taking care of themselves during their move, and you can be assured to stay within budget by choosing SFL.

## 4 ORGANIZATION RELOCATIONS

With our extensive experience in office and employee relocations, we can easily transfer our knowledge and service offerings to accommodate organizations such as: Embassies, NGOs, Diplomats, and Religious Organizations. SFL is compliant with all the extensive requirements to serve this specialized sector. Amongst our dedicated coordinators, a single point of contact will be assigned to handle every aspect of the relocation; including, but not limited to, packing/unpacking, transportation, customs clearance, and required documentation.

# SHIPPING & TRUCKING
